Email: jroman@spectrumsearchpartners.com

In the Fall of 2022, Jackie joined Spectrum Search Partners as an Executive Assistant and Marketing Coordinator. She brings a wealth of highly relevant experience to Spectrum, between working in multiple entrepreneurial environments and supporting a Family Office, who were comprised of very successful commercial real estate investors. She is used to the pace of lean, fast-growing businesses, and the associated dynamics of supporting Founders and their senior management teams. Her attention to detail, self-initiative, enthusiasm, and customer-facing skills will enable Spectrum to continue offering world class service to all the stakeholders it serves, and help the business scale.

Prior to joining Spectrum, Jackie assisted the Founder at “Balance Your Buzz”, a beverage start-up business. Earlier in her career, where she spent over a decade in the outdoor and ski industry, she supported the Chief Marketing Officer and his 60+ person Marketing Department at the Alterra Mountain Company, where she honed her creative abilities. Post-graduation, she worked in e-commerce marketing for WinterKids.com and WinterWomen.com, successfully organizing and managing product content and marketing imagery for thousands of kids and women’s winter gear and accessories.

Growing up in an Air Force family, Jackie is well travelled and has lived in many places (Oahu, Hawaii was her favorite childhood home). She moved to Colorado at the age of 15 and has called it home ever since. Though she currently resides at 9,250 feet above sea level in the Rocky Mountains, she lived in Denver for many years. She earned her Bachelor’s Degree in Marketing and Communications from the University of Denver, and also holds a Colorado Real Estate Broker Associate’s license. In addition to enjoying real estate in her free time, she is an avid fan of the outdoors, travel, and keeping her two corgis company.
